

Welcome aboard...

PACIFIC BLUE
(2-12 BERTH)

PACIFIC BLUE

Pacific Blue creates a whole new class of houseboat on the Tweed River. She stands out, as the only one in her class!

Pacific Blue is boarded from the rear deck, framed by the gleaming stainless steel handrails, entering directly into the large lounge/dining room area. Pacific Blue immediately gives you that “wow” impression.

PACIFIC BLUE

Walking through the lounge room to the full kitchen, marvel at the solid granite benchtops, generous bench space, 4-burner gas stove, electric oven and grill, together with the luxury of a dishwasher, microwave.... and look, twin 220 litre fridges!

With four separate queen bedrooms and two bathrooms, there is plenty of room for privacy without imposing upon the living area.

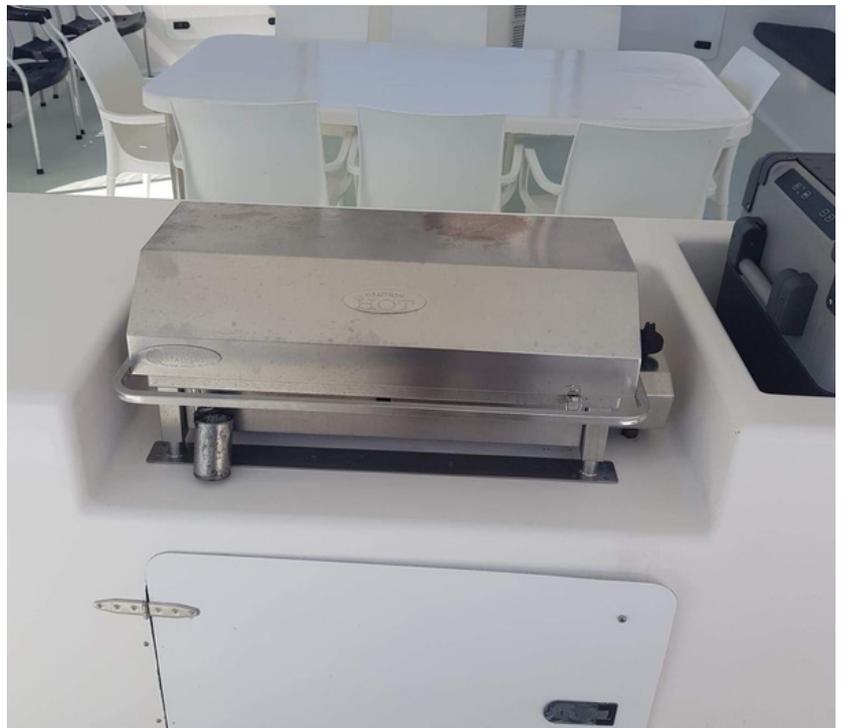

PACIFIC BLUE

The upper deck is accessed via the stairs at the rear of the boat. Upstairs you will find sun lounges, BBQ and entertaining area and of course the only 6 person heated spa on the Tweed River!

The cooking facilities include a hooded BBQ, hot and cold running water and a fridge! Don't forget to top up the esky with ice and kick back with a cold one as you cook up a storm surrounded by the views of the Tweed Valley!

PACIFIC BLUE

The view from the upstairs driving console could not be any better! Sit back and relax on the comfy captain's chair as you navigate from above.

You will also have access to a separate stereo system so you can crank the tunes without running downstairs.

PACIFIC BLUE

Entertaining is a breeze with plenty of seating for everyone; whether you like sitting in the shade, lounging in the sun or kicking back in the spa!

Pacific Blue offers so much more than any other houseboat on the Tweed River!

Check out Pacific Blue's virtual walk-through [here!](#)
