The kitchen is fully equipped with a 220L fridge freezer along with a 4 burner gas stove/oven/grill. All your cooking utensils are provided.

The lower back deck also has a sink with water, to clean up the days catch ready for the BBQ. The back deck also has a duck board, and a good size ladder for climbing in and out of the boat with ease. Great for larger groups and family get togethers

# ISLAND DREAM

Island Dream features 5 separate bedrooms giving you the luxury of extra privacy. 3 bedrooms are located on the top deck along with a bathroom and 2 bedrooms on the lower deck with a second bathroom downstairs.

Having this number of bedrooms sleeps 12 guests comfortably, however an extra double sofa bed is provided in the lounge area for those who would prefer not to share rooms.

# ISLAND DREAM

The upper deck outside has a BBQ, bench and sink with hot and cold water. A large outdoor setting, under a solid roof, just in case a few raindrops fall.

Sun lounges and seating can be found at the front area of the upper deck for all you sun lovers.

Island Dream features walk around decks with solid rails on both upper & lower decks to protect your privacy. With a staircase from the lower deck to the upper deck
